1. On 13 June, approximately 150 Soviet infantry troops arrived in Chongjin (Seishin) (129-49, 41-46) on the train from Pyongyang (Heijo) (125-44, 39-01).
2. On 14 June, approximately 3000 Soviet troops left the Najindong (Nashindo) (130-15, 42-10) area for Pyongyang.
3. On 19 June, a train consisting of six cars passed through Chongjin en route to Pyongyang. On the train were 3000 rifles, 8000 cases of ammunition, 500 Soviet soldiers and 300 Korean soldiers. It was rumored that the weapons and ammunition were to be turned over to the North Korea People's Army in Pyongyang.
4. On 14 June, approximately 500 Soviet troops moved through Chongjin by rail from Pyongyang. Their destination was Hoeryong (Kainel) (129-45, 42-25).
5. On 14 June, a unit of approximately 300 Soviet soldiers departed from Chongjin for Nanam (Nanan) (129-41, 41-42). The unit had two artillery pieces with (bore) diameters of approximately three inches.
6. On 17 June, approximately 300 Soviet soldiers arrived in Chongjin from the Najindong area by jeeps and trucks.
7. On 24 June, 500 soldiers of an artillery unit in Hamhung (Hanko) (127-32, 39-54) were transferred to Chongjin.
8. On or about 24 June, a large number of (? Soviet Army) 6 x 6 trucks were observed being loaded on flat cars in Hamhung.
